Weekly Fees – Non-Cardiff members who are a part of the league will be required to pay the weekly green fee, to walk on Tuesdays the green fee is \$45.00 after taxes and a ½ power cart for 18 holes is \$15.00. All players playing in the Tuesday league will need to pay their weekly league fee at the check-in table prior to their round. Weekly league fee is **\$10.00 for Men, and \$7.00 for Women**. **New for 2024**, the weekly league fee will be paid in cash at registration. These weekly fees go towards weekly prizes for the league.

Handicaps – To begin the season we will be using your Golf Canada index to determine players course handicap. For those players that are new to the league and do not have a valid Golf Canada index you will be given access to Golf Canada with your league fee. For those new players we will issue you an index for the first few league weeks until Golf Canada has enough scores to issue your index (please see below for your daily handicap explained). ***Please note all league play scores will be posted to your Golf Canada profile from our end as you will not need to post your scores yourself.*** All league index's will be based on your Tuesday league scores only; this may mean your league index will not match your Golf Canada index.

The daily handicap will be derived from a modified "Peoria System." 1 par 3, 1 par 4, and 1 par 5 will be used from your 9-hole score to calculate your daily handicap.

For example:

- Player A scores a 4 on hole 3, a 4 on hole 4, and 5 on hole 6.
- The 13 strokes would be multiplied by 6 to account for 18 holes to get a total of 78
 - The differential to par (72) would be 6
- You will receive 80% of the total, which would be 4.8. This is the index that will be used to establish your index from the White Tee's.

Score Cards - Score cards will be done up for every league week as well as live scoring can be accessed through our Cardiff mobile app. To access scoring, open the Cardiff GCC app, click on the "Tournaments" tab, select the date of league play, and find your name. All players in your group will be available for you to score. Scorecards can be picked up at the check-in table prior to the round, your group will only have

one card, if you happen to lose this card, please make sure all names and score are legible or they will not be counted. This season 'Pops' will be shown on the cards where each player receives strokes. If you are keeping your groups score card, ***please just mark down the gross score (gross score is a player score before strokes are taken off)***. On the perforated bottom part of the score card there is an area where you can keep track of your net individual/team score.
