Weekly Draws – Our league draw for the men's league will be sent out Sunday by 2pm. We will do our best to mix up players as much as possible but depending on numbers each week or a league in general you may play with league players more than two times per season.

Weekly Fees – Non-Cardiff members who are a part of the league will be required to pay the weekly green fee, to walk on Tuesdays the green fee is \$45.00 after taxes and a ½ power cart for 18 holes is \$15.00. All players playing in the Tuesday league will need to pay their weekly league fee at the check-in table prior to their round. Weekly league fee is **\$10.00 for Men, and \$10.00 for Women (Must be paid in cash)**.

Handicaps – To begin the season we will be using your Golf Canada index to determine players course handicap. For those players that are new to the league and do not have a valid Golf Canada index you will be given access to Golf Canada with your league fee. For those new players we will issue you an index for the first few league weeks until Golf Canada has enough scores to issue your index (please see below for your daily handicap explained). ***Please note all league play scores will be posted to your Golf Canada profile from our end as you will not need to post your scores yourself.***

The daily handicap will be derived from a modified "Peoria System." 1 par 3, 1 par 4, and 1 par 5 will be used from your 9-hole score to calculate your daily handicap.

For example:

- Player A scores a 4 on hole 3, a 4 on hole 4, and 5 on hole 6.
- The 13 strokes would be multiplied by 6 to account for 18 holes to get a total of 78
 - The differential to par (72) would be 6
- You will receive 80% of the total, which would be 4.8. This is the index that will be used to establish your index from the White Tee's.

Score Cards - Score cards will be done up for every league week as well as live scoring can be accessed through our Cardiff mobile app. To access scoring, open the Cardiff GCC app, click on the "Tournaments"

tab, select the date of league play, and find your name. All players in your group will be available for you to score. Scorecards can be picked up at the check-in table prior to the round, your group will only have one card, if you happen to lose this card, please make sure all names and score are legible, or they will not be counted. 'Pops' will be shown on the cards where each player receives strokes, if you are keeping your groups score card, **please just mark down the gross score (gross score is a player score before strokes are taken off)**. On the perforated bottom part of the score card there is an area where you can keep track of your net individual/team score.

Notable new rules for the Men's League

Longest Putt – Players will only be allowed to write their name down if it is their first putt and the ball goes in the hole. Ball must be on the green for this to count.

Lateral Hazards – For pace of play this season we will be playing all lost balls as a lateral hazard. This means if you lose your ball you will go to point of entry of where you think the ball entered and then take two club lengths from that point of entry and drop. If you lose your ball of the tee this means you would now be shooting your 3rd shot after taking your drop.

Closest to the Pin – Closest to the pin will only count if you hit the green on your first tee shot.

Tees – This year the Morning Men's League will now be playing from the White/Green combo all season long.

If you have any further questions regarding the league, please do not hesitate to contact Jeremy Lavallee via email (jlavallee@cardiffgolfclub.ca) or by phone 780-939-6666 ext. 4
