Registration

Registration will open Thursday February 5th and run until Saturday February 28th at 9 PM. As a member of our 2025 Evening Men's League, we will hold your spot until February 28th to renew your league fees. **Starting March 1st, your spot is no longer guaranteed, and we will open registration to people on our waitlist.** There is a good chance that if I don't hear from you before the end of February you will lose your spot in our evening men's league.

With the exciting news about our clubhouse renovations, unfortunately we won't be able to host a registration night this season.

Payments can be made via Account/Credit Book/Credit Card/Cheque by filling out the registration form. Debit and cash transactions must be made in person.

Weekly Fees

Each week there is a mandatory **cash** fee of \$10.00 to play during league times. Fees for each week go towards the flight prizes, Net Skins (flighted) and Deuces. For non-members of Cardiff Golf & Country Club, you also must pay your league green fees for that day (9 holes - \$39, 18 holes - \$57), all players will receive member power cart pricing if riding. All players will have a Credit Book account with the club. Weekly prizes will be added to your Credit Book account to spend in the golf shop.

Payouts for flight prizes will be:

- 1st Low Gross/1st Low Net - \$20
- 2nd Low Gross/2nd Low Net - \$15
- 3rd Low Gross/3rd Low Net - \$10

50% of your entry fee will go towards the Gross & Net results, while the remaining balance of your entry fee will be divided equally between Net Skins and Deuces. **Net Skins are played within your flight; you are only competing with players in the same flight.** You must have the single lowest net score on a hole to win. Skins throughout all flights pay equally. Deuces occur any time a gross 2 is scored. Deuces are the only time that players compete across multiple flights.

We will continue our optional \$5 hidden hole contest and \$1 raffle prizes.

Pace of Play

With over 200 players in our league, we struggle each week with the pace of play. **We encourage ready golf to help speed up play.** We will be monitoring the pace of play weekly, *if your group is consistently more than one hole behind you will be issued a warning. After 2 warnings, a player/group will be suspended from league play for 1 week. Multiple violations may result in loss of playing privileges during Men's Night for the rest of the season.*

Rules of Play

All treelined areas throughout the golf course will be played as a lateral hazard. There will be no need to hit any provisional shots this season. You can proceed to the point of entry and take 2 club lengths from the tree line, or as a second option you may take the line on which your ball entered the trees and go as far back as you like keeping the pin in line with point of entry.

"Gimmies" are not permitted. The hole is not complete until the ball is in the hole.

Guest Rules

League guests will not be permitted unless approved by Jeremy Lavallee. **League guests will also not be permitted until June 1st.** With our league growing to over 200 players, we need to ensure that all league players have equal opportunities to book tee-times. Please note, guests are not eligible to win flight prizes, skins, or deuces. They are not required to pay the \$10 weekly fee but are required to pay their green fee.

Scorecards/Mobile Scoring

We will continue using the Cardiff GCC app for live scoring. Our app can be downloaded through the Apple App Store or the Google Play Store. To access scoring, open the Cardiff GCC app, click on the "Tournaments" tab, select the date of league play, and find your name. All players in your group will be available for you to score. Each player's name must be on the tee sheet for them to be input into the app. During your round you will be able to input hole-by-hole scores for your entire group and access a live leader board. Flights will change throughout the evening as some players may be added or dropped. Please note that the mobile scoring app will be your official score. Groups are encouraged to take a physical scorecard as well to confirm before submitting your results. **If you are playing 18 holes after 4:00 PM and you are not using mobile scoring, please turn your scorecard into the Golf Shop or scoring table in the clubhouse through 9-holes.**

After the round we will have live scoring updates in the Flat Iron Grill along with live draws each week. The live draw will take place at approximately 8:00 PM each night. Attendance is not mandatory to win a prize. Draw prize winners will be included in the results update and can be claimed in the Golf Shop.

Handicaps

All players will receive a Golf Canada Membership to maintain a golf handicap. Players without a handicap or those who are not regularly entering scores will receive a daily handicap. The daily handicap will be derived from a modified "Peoria System." 1 par 3, 1 par 4, and 1 par 5 will be used from your 9-hole score to calculate your daily handicap.

For example:

- Player A scores a 4 on hole 3, a 4 on hole 4, and 5 on hole 6.
- The 13 strokes would be multiplied by 6 to account for 18 holes to get a total of 78
- The differential to par (72) would be 6
- You will receive 80% of the total, which would be 4.8. This is the index that will be used to establish your index from the White Tee's.

Adjustments to handicaps will be made until your handicap is established. If you have tracked scores using an unofficial system, please forward a screen shot of the scores and handicap to Jeremy Lavallee (jlavallee@cardiffgolfclub.ca), these scores will be taken into consideration.

Season Long Team Format

- Team format will remain the same as last season. Teams can consist of up to 7 players of your choice. Team's list must be submitted by April 30th.
- You may sign up your team of 7 players or submit as many players as you have, and we will pair up teams to balance the number of players on each team.
- Playoffs will begin September 9th with our year end windup Saturday September 19th.

New for 2026 Evening Men's League

- We are extending the blocked tee times on Wednesday's from 1:00 pm to 12:30 pm to accommodate more availability for our league players.
- We are introducing a 3rd shotgun at 4 pm in May.
- Each week we will have a few proxy prizes based on age categories. Each age category will rotate equally throughout the season.
